dish. Father Christmas will have a gift for all children who attend Rural Care.

Christmas Gifts - Rural Care - Tea Towel Fundraiser
This year we have decided to run this popular tea towel fundraiser in time for Christmas gifts
that are easy to post, fat free and involve every child and educators in our special centre.
The drawings will be printed in blue on a quality 100% white cotton tea towel. We have placed
order forms in your pigeon holes and you may order as many as you like know that the money
will be spent on your children. Please return your order by Week 6, Friday 20th November 2015.
